All Dogs Can - STAY SAFE, BUT LET'S HAVE FUN WITH OUR DOGS

PLEASE READ CAREFULLY AND ADHERE STRICTLY

When this Corona virus hit, we were all shocked and eager to find the answer to one question... "When can we resume life as we know it"? While we still do not have a clear answer to that question, we do know that there is a great desire to begin to venture out and do some of the things we enjoy if we can do them carefully.

Everyone who attends the All Dogs Can LLC. for any event or in any capacity is covered by these "All Dogs Can LLC. rules" as stated below.

1. The All Dogs Can LLC. will **NOT** provide any chairs around rings. Exhibitors can bring their chairs but must maintain social distancing between each other and from the rings. Household units are free to sit together. No group gatherings other than family gathering or congregating in the buildings. Chairs may be left in the buildings next to your crate, if desired, at the risk of the owners.

2. All persons entering any of the All Dogs Can LLC. buildings **must wear** a mask while in the building. Running in the agility ring with or without a mask will at the discretion of the club/judge. All persons wearing masks will need to bring enough masks for the duration of the trial and dispose of single use masks properly. Gloves are an individual choice. If you prefer to wear gloves; you will need to bring enough for the times you will need to wear them. Please dispose of gloves properly.

3. Possibility of Temperature check at door, you will be stamped at check in. Can change due to circumstances.

4. Stewards and judges will wear masks, will at the discretion of the club/judge. (***so train your dogs to expect a person in a mask***) and judges will have hand sanitizer available between each examination.

5. Handlers will line up outside the ring maintaining 6-foot social distancing and handlers will be called into the ring as each judge deems appropriate Follow the judge's directions. We have removed gate's and we will just have a gate chute, to walk around. So, train your dog from running out of the ring.

6. Food will not be available at this time. We are talking to a few food trucks at this time to purchase food.

7. We will prop bathroom doors open for easy access. Our building is limited on how many people are inside at a time, when using bathrooms, please leave the building when done. Always wash hands and do not touch your face because that decreases the spread of germs. We will have several Hand sanitizers stands. If you hear someone starting to leave Bathroom stall without stopping at sink please announce wash your hands.

8. We have removed door handles in the entrance and exit area so you can **PUSH** the doors open, except for last exit door due to air blowing door open. Plus, we put a divider wall in the vestibule. Please do not try to bring everything you own at once, because you will have to put it down for temperature checks and hand washing as you enter and receive a ink stamped on your hand.

9. We have added another TV to project the check-in sheet to keep everyone from away from the entrance of the ring. It's next to the results TV. Please take pictures of results and then move on.

SMWC July 2020 Agility Trial Protocols

If you have multiple dogs, come early to keep your dogs in the extended area. X-Pens will only be allowed around the outside perimeter of crating area, with no camping out. All excess supplies must be stored in your car. To adhere to 6 ft Social distancing, we will have 6 foot between each handler in crating section. The above rules are our attempt to have a fun event and yet still maintain a level of safety for all who attend. We will have committee members circulating to ensure that everyone understands the rules and to answer questions. We ask that you honor any request made of you. Thank You for coming to our show and we look forward to enjoying the All Dogs Can!

- We are so happy to be getting back to trialing again and are pretty sure that you are as well!
- Our intent is to conduct our usual fun and no-drama trial given the restrictions we have been given. We will be taking all safety precautions, but the intent is not to be "the fun police". Please refer to AKC's and ADC's Protocol's as they are subject to change due to the current circumstances.
- We will not be requiring people to spend their entire day outside. You are welcome to watch and cheer on each other (and even tape your friends run) based on the amount of people allowed to gather at that time. There will not be our usual viewing area in order to allow more crating spaces.
- At this time, masks are required while inside the building. However, you are not required to wear them for your runs.
- The gate steward will give you your course maps and check you in for each class.
- The awards person will hand out the stickers and ribbons. Please do not take a ribbon if you plan on returning it later. All our beautiful ribbons and MACH and PACH bags and bars will be available.
- The leash runner will take your leash (using a grabber & wiping it down after each dog) or you can run with it per AKC rules.
- Per AKC protocol, food will not be provided. However, we have arranged for a food truck to be on site Friday and Sunday. Otherwise, you will need to bring your own food and beverages. Sadly, no MACH cakes either.
- Indoor crating: there will be approximately 45 crate spaces inside the building. Spaces are taped off with the required 6' of space around each. Each spot will hold a large crate & chair, or multiple crates stacked. Please leave your extra things in your car. X-pens only on the outside walls. If you are trialing multiple days in a row, you may leave your crate from day to day. If you aren't, please take it home with you to leave space for a fellow competitor. Please park further from the entrance to allow those crating from their vehicle to get to their dogs quickly.
- Outdoor crating: this is encouraged if you can. You are welcome to bring an EZ-up and crate from that, or crate from your vehicle.
- Camping: camping without hook-up is available for \$15.
